FEATURES

The Olive keeps the beloved layout of the Norwood but elevates it with a modern, earthy palette for a richer feel. The kitchen shines with sleek design, warm tones, and high-end finishes, seamlessly balancing style and function. Cozy bedrooms feature warm wood accents and inviting lighting, while the spa-inspired bathroom offers a peaceful atmosphere.

PLEASE READ: The Olive comes as standard with green walls throughout, but there is an option to have the sunset orange bedrooms if you so wish. You will see in the images below an example of both the orange and green bedrooms. Please just ensure to let your sales advisor know your preference.
